NEW YARMOUTH 1994 / 26 YEARS

Precious Liquors Single Cask Rum | 2021

New Yarmouth 1994 is a high-proof Jamaican single cask bottled by Precious Liquors for Malt, Grain & Cane, Bar Lamp Ginza and Rum & Whisky Kyoto. Cask #435082 produced 249 bottles at 67.9% volume, making this a focused Japan-market release from one of the most sought-after New Yarmouth vintages. AGEING: distilled from molasses in 1994 and bottled in 2021 after 26 years, the rum carries the density expected from long-matured Jamaican stock without losing line or definition. The cask keeps its force, yet the profile is layered rather than merely sharp. SERVING: pour a small measure into a tulip glass and let it sit before nosing. A few drops of still water are useful at this proof. At the table, choose espresso, grilled pineapple, aged hard cheese or a full-bodied Nicaraguan cigar.

NEW YARMOUTH New Yarmouth is part of the J. Wray & Nephew orbit in Jamaica and is best known to collectors through independent bottlings rather than official distillery releases. Its 1994 vintage has become a reference point for powerful, long-aged Jamaican rum: concentrated, aromatic and often darker in tone than the easier fruit-led image of the island. Precious Liquors selected this cask for a small Japan-facing release with Malt, Grain & Cane.
