

RENEGADE OLD BACOLET 2020

Pre-Cask Rum | Pot Still | Single Farm Origin

On the south coast, sheltered from the force of the Atlantic trade winds, Old Bacolet is one of the first growing areas cultivated by the French. The alluvial plain between two small rivers, the alluvial soils - clay and Woburn clay - and the high groundwater table support lush sugar cane cultivation. For this rum, they used a fast-growing variety of sugar cane from Josh's Field, which stands on the terroir known as Riverside. Renegade rums are made with pure, fresh sugar cane juice as a primary ingredient; they are natural in colour and texture, unsweetened and un-chill-filtered

Tasting notes

About Renegade Rum Distillery The distillery is located in Grenada, a small, mountainous island of volcanic origin found about 90 miles north of Trinidad and Venezuela, where the central mountains are characterised by tropical moist forest vegetation. Renegade Rum Distillery is an industry-changing project from the man behind the renaissance of Islay's Bruichladdich single malt whisky and Ireland's groundbreaking, terroir-driven Waterford Distillery. His vision is to produce the most profound rum the world has ever seen focused on the cane, terroir and provenance. Renegade Rums are modern masterpieces, carefully designed to bring out the individuality of terroir, the purity of long fermentation and thoughtful distillation.
