

SAINT JAMES 7 YEARS OLD

Rhum Vieux Agricole

An Agricole rum made from pure sugar cane juice, aged for seven years in small ex-bourbon barrels in the tropical climate of Martinique, where the humidity and constant high temperature accelerates the maturation process. The total evaporated volume or angel share reaches 35% and gives the rum a nice concentration of aromas. Saint James 7 Years old is presented in a wood gift box.

Tasting notes

Color

Copper mahogany.

Aroma

At first sweet spices; cinnamon and vanilla connected by a dominant candied fruit background

Taste

The palate confirms the aromas found on the nose, roasted sugar cane with elegant wood notes.

Finish

The tannins present in the rum yield its pleasant length and the sweet aromas are well preserved for a soft, warm finish

The Saint James Distillery Saint James Rhum is made with special attention to the components, their rums are free of colouring and are non-re-sugared. The quality is guaranteed by the strictly regulated Appellation d'Origine Contrôlée process by which the rums are produced.
