

SPIRITED UNION QUEEN PINEAPPLE & SPICE

Botanical Rum

The Queen pineapple & spice rum is inspired by Aruba's vibrant energy and beautiful beaches. This rum is made by macerating the flesh of the fruity Queen Victoria pineapple in Panamanian Rum. The natural sweetness of the mini pineapple is balanced by infusing the spirit with cassia wood and aromatic cinnamon, creating a surprisingly refreshing, spiced rum.

Tasting notes

Color

Deep straw yellow with orange hue

Aroma

Sweet spice, fresh pineapple and citrus fruit.

Taste

The palate is soft, rich and fruity. Delicious by itself, the flavour of this rum also pairs perfectly with Ginger beer.

Finish

Lively with hints of buttery caramel

About the Producer Spirited Union is a Dutch distillery that specializes in botanical rums, their mission is to create Union between the vast and colourful world of Botanicals and rums to create vibrant and exciting new tastes. The distillery sources single-origin rums and botanicals from the best regions in the world. Working with fresh ingredients, combining textures and flavours to produce real flavours and memorable rums, that are bold & well balanced. To make their supply chain as sustainable as possible, they run on a solar-powered distillery, eliminating single use plastic, working with sustainable partners.
