

## ZACAPA LA ARMONIA 2022

### Third Release | Heavenly Cask Collection

La Armonia is the third release from Zacapa's Heavenly Cask Collection. It is composed of a blend of rums between 6 and 24 years old. This rum was bottled in 2022 and aged Ex-Oloroso Sherry barrels. Zacapa's Heavenly Cask Collection is a limited-edition series featuring four remarkable rums, each released yearly and designed to celebrate the ageing process that makes Zacapa so special. Every bottle in this collection is made according to the traditional Solera system. This method ensures that each bottle offers a rich and layered tasting experience, with flavours that evolve with every sip. Zacapa La Armonia is nicely presented in a gift tube, making it the perfect choice for collectors or as a luxurious gift for someone special.
