

CLASE AZUL DÍA DE MUERTOS 2022

Tequila Añejo | 100% Blue Agave

Clase Azul Tequila Día de Muertos Limited Edition Colores pays homage to the vibrant colours from the iconic Mexican celebration. This bottling contains premium añejo tequila, matured in Agricole Rum barrels from Martinique. The decanter features an ornament handcrafted from silver-plated brass, handpainted by local artisans. The illustration by Roberto Sanchez depicts "Calaveritas de Azucar and Marigold flowers", both traditional symbols of the festivity.
