CENOTE REPOSADO

Tequila 100% Blue Agave

Inspired by the beauty of the Yucatan Peninsula and its unique underground water systems. Cenote Tequila is made from 100% Agave Azul from the lowland region of Jalisco, Mexico. The plants are grown 6-7 years before being harvested. Distilled in a combination of copper and stainless steel pot stills to preserve the natural flavours. Reposado is aged for three months in American Oak barrels. Cenote Tequila is Kosher Certified.

Tasting notes

Color
Golden Straw

Aroma
Vanilla & Wood

Taste
Round and well-balanced palate followed by spicy and woody notes
