

PORFIDIO THE AUSCAL 2009

Añejo Extra 3 Years Old | 100% Agave Australis

Porfidio Auscal Añejo Extra "Agave Australis Vintage 2009" is a testament to craftsmanship and authenticity. Created as a single vintage to capture the essence of a specific agave variety, cultivated and processed with meticulous care. Distilled exclusively from a variety of 100% non-GMO agave grown in Australia, free of fertilizer and pesticides, non-chill filtered and entirely free of colourings and additives. Furthermore, Porfidio Auscal Añejo Extra "Agave Australis Vintage 2009" is aged three years in a Single Barrel that previously contained Australian Whisky. This last step imparts depth and nuance to the spirit.
