

PADRES DE LA TIERRA TEQUILA

Padre de los Jaguares | 100% Blue Weber Agave

Padre de los Jaguares is Mexican spirit crafted from Blue Agave grown in the state of Jalisco, western Mexico. This artisanal distillate is produced using traditional methods that have been passed down for generations and were used at the beginning of the 20th century for the production of tequila. The Padre de Los Jaguares Batch No.1 is a limited edition of only 3700 numbered bottles and it was distilled in Jalisco in 2023.

Tasting notes

Taste

Sweet, with a vegetal tone characterised by delicate fruity and liquorice notes. The structure is creamy, smooth, and elegant.
