

PADRES DE LA TIERRA SOTOL ARTISANAL

Padre de las Serpientes | 100% Sotol Dasyliirion

Sotol Padre de las Serpientes is a traditional Mexican distillate made from Dasyliirion, a succulent plant that grows wild in the desert of Northern Mexico. Dasyliirion thrives in harsh desert conditions. Its roots delve deep into the dry soil, absorbing every raindrop bestowed by nature. This plant grows for 18 to 22 years before it can be distilled. Sotol Padre de las Serpientes Batch No.2 was distilled in Chihuahua in 2023. This is a limited edition of 5100 numbered bottles. Sotol is an excellent alternative to tequila or mezcal in traditional cocktails such as Margarita, Tommy's, or Paloma.
