

VOLCAN DE MI TIERRA^{XTRA}

ASSEMBLAGE

X.A | Tequila 100% blue Agave

Combining innovation with traditional tequila-making methods, Volcan Xtra Assemblage is an ultra-luxurious tequila made from a blend of Reposado, Añejo, and Extra-Añejo, each selected for its unique flavours. Crafted from 100% Blue Agave sourced from two distinct terroirs—the Lowlands and the Highlands. Volcan X.A is presented in a striking decanter with an LED light at the base that illuminates the bottle, beautifully resembling a volcano.
