About the Producer Antica Torino offers traditional wines, liqueurs and spirits of Piedmont, prepared according to original recipes and thus rediscovering niche flavours that are often forgotten. The label was originally designed in 1925 by Francesco Carandini, an Italian historian and poet from Piedmont. It depicts a Benedictine monk intending to study an ancient text, entitled “Vox Dei Silentium” (silence is the voice of God). In the background, the Sacra di San Michele, an ancient landmark abbey perched on the summit of Mount Pirchiriano, near the city of Turin.
