

## **BELUGA** VODKA CELEBRATION

### **Limited Edition Series**

This special edition celebrates the Mariinsk distillery 115th anniversary. A sophisticated combination of modern technologies and handicrafts helped create a truly exclusive product symbolizing luxury, nobility and craftsmanship. For the manufacturing of the bottle, Masters apply a metallizing process covering the glass with double platinum coating and gold lacquer, the final stage includes decorating the bottle using a silkscreen printing method.

### **Tasting notes**
