

BELVEDERE VODKA

Polish Rye Vodka | 40%

Belvedere Vodka is a Polish rye vodka with a clean, creamy and gently spicy profile. It is made for chilled neat serves, Martinis and premium mixed drinks. **PRODUCTION:** rye gives the vodka its soft grain character and light pepper note. The style is neutral enough for cocktails but still has texture and presence. **SERVING:** keep chilled for neat pours, or use in a Vodka Martini, Moscow Mule, Espresso Martini or simple highball with soda and citrus.
