

BELUGA NOBLE

Premium Vodka 6L

Distilled from 100% wheat grain, Beluga Noble is the flagship in the Beluga brand family and the result of the meticulous hard work of the distillery masters. The refined, rich taste of Beluga Noble Vodka comes from its unique composition, mainly due to the malt spirit and the purest water of their artesian wells. These carefully selected natural components pass through a triple filtering system. Afterwards, Beluga Noble is left to «rest» for thirty days. The method helps neutralize the harsh flavours of the spirit, enhancing this Noble Vodka's rich taste and soft flavour. Beluga Vodka is Kosher Certified.
