

CARPANO ANTICA FORMULA

Vermouth

Carpano Antica Formula Vermouth dates back to 1786, created in Italy by Benedetto Carpano. Made from white wine, Piedmont's muscatel and wines from southern Italy, macerated with mountain herbs. Carpano Antica Formula is produced in limited amounts; the label is a replica of the 1786 original design.

Tasting notes

Taste

Velvety texture with harmonious aromas of almond and fruit. Slightly bitter with floral and citrus notes. Serve cold on the rocks as an aperitif or as a mixer for a cocktail, it is the perfect match for a Negroni.
