CHOPIN POTATO VODKA

Gluten Free Polish Vodka

Produced by the Dorda family distillery, located in the pristine countryside of eastern Poland. With its earthy, full-bodied flavour profile, Chopin Potato Vodka is an excellent choice for Martinis, plus it is gluten-free! Chopin Potato Vodka is part of the Classic range, which features three styles of vodka – potato, rye and wheat. The range features potato, rye and wheat varieties, each of which is crafted with a focus on the produce and masterful techniques that bring out the unique flavor of the ingredients.
