

HELVETICO VERMOUTH BIANCO

Swiss Made Vermouth

The spicy-fresh Helvetico Vermouth takes its fruity aroma from the Müller-Thurgau grapes and locally sourced botanicals such as lavender flowers and citrus fruits - ideal in a Spritz Tonic or simply straight on ice. A new aperitif experience, simply modern, fresh and unconventional

Tasting notes

A short story about the distillers Damian, Florian, Gian - gastronomy, food technology and business: three friends from different backgrounds join forces to use their talents to create a vision of vermouth that breaks away from time-honoured conventions.
