

HELVETICO VERMOUTH ROSSO

The spicy-fruity Helvetico Vermouth with the typical character of the Pinot Noir grape, berries, complex pepper and aromatic herbs - ideal in a Vermouth Tonic or other cocktails such as Negroni, Manhattan, Blood & Sand and Rob Roy. Vermouth HELVETICO is made from local grapes as well as local botanicals. A new aperitif experience, simply modern, fresh and unconventional

Tasting notes

A short story about the distillers Damian, Florian, Gian - gastronomy, food technology and business: three friends from different backgrounds join forces to use their talents to create a vision of vermouth that breaks away from time-honoured conventions.
