VIRTUS AMARO SEGESTA

Amaro Siciliano

Virtus Amaro Segesta is a versatile drink that can be enjoyed as an aperitif, mixed in cocktails or as a digestive. You can serve it neat, with a dash of tonic water or ice cube. If you prefer a long drink, try mixing it with Amaro, Coca Cola and a dash of fresh lime juice. This unique blend is obtained by macerating and soaking in alcohol more than twenty officinal herbs and local Sicilian essences, according to an old, artisanal recipe kept for more than 50 years.
