NIKKA COFFEY VODKA

Blend of Barley & Corn | Japanese Vodka

Ultra smooth and delicate. Nikka Coffey is an elegant vodka made from a blend of corn and barley spirits distilled in Nikka's signature Coffey Stills. Each spirit is distilled separately and carefully blended and refined with minimal filtration using white birch charcoal for a perfect balance and mellow texture.

Tasting notes

Taste

The zesty notes, sweetness and velvety mouthfeel capture the exquisite fullness characteristic of the Coffey Still.
