BOWMORE 27 YEARS OLD

Timeless Series | Limited Release

A limited edition of only 3000 bottles, the special release is part of the Timeless Series which displays a variety of single malt whiskies of exceptional maturation. The Bowmore 27 Year Old was carefully matured for 15 years in former sherry and bourbon casks, further aged for 12 years in first-fill Oloroso sherry butts. Presented in an elegant black case that resembles a classic hourglass. Inside the box, a small hourglass can be found. It takes three minutes for the sand to flow from one end to the other, just about the time it takes the whisky to develop its full aromas. For the premiere of the new Series, French director Thomas Vanz created a film that highlights the power of time through the evolution of whisky.
