BOWMORE 9 YEARS OLD

Islay Single Malt Whisky

Bowmore 9 Years Old is bottled at 40% volume. MATURATION: It matures in a combination of American oak ex-bourbon casks and European oak Oloroso sherry butts, a dual-cask regime that gives the whisky its fruit-driven sweetness alongside Islay's characteristic peat smoke. SUGGESTIONS: Serve neat or with a splash of water to open the aroma. Pairs well with dark chocolate or a mild blue cheese, and suits a Nicaraguan or Dominican cigar.

BOWMORE DISTILLERY Bowmore has operated on the shores of Loch Indaal on Islay since 1779, making it the island's oldest working distillery. Its No.1 Vaults, partly below sea level, are the oldest whisky maturation warehouse in Scotland, where sea air moves through the casks during ageing. The distillery is owned by Beam Suntory.
