

## **BUNNAHABHAIN** 1997 / 22 YEARS

### Moine PX Finish | Islay Single Malt Whisky

The limited release was distilled on the 5th September 1997, matured in traditional ex-whisky casks until 10th March 2016, then transferred to Pedro Ximenez sherry casks for the rest of the maturation. Moine PX is a single malt with an exceptional flavour. The finish in sherry casks compliments the peaty richness of smoke and pepper, balanced with its slightly salty and sweet flavours of vanilla, figs, roasted nuts and caramel.

About the Bunnahabhain distillery The Bunnahabhain distillery dates back to 1881. Located on the northeast coast of the isle of Islay, where the soil is formed almost entirely of peat, which, used during the malt drying process, gives an unmistakable taste of smoke and seaweed. The distillery is the only one on the island to use pure spring water drawn from the Margadale River. The pure water contributes towards the light signature taste profile of Bunnahabhain. The malt whiskies produced by the Bunnahabhain are smooth, almost winey whiskies, slightly peated with impressive consistency and regularity.
