

BUNNAHABHAIN 40 YEARS OLD

Islay Single Malt Whisky

A rare 40-year-old whisky patiently matured in Turney Casks at Bunnahabhain's warehouses by the sea. These casks were discovered by the blending team while reviewing the warehouse ledgers. Bunnahabhain 40 is part of the Core range series of unpeated whiskies, mainly matured in ex-sherry casks. These single malts are all natural in colour and non-chill filtered. Tasting notes from the producer.
