

COMPASS BOX TOBIAS & THE ANGEL

Blended Malt Whisky | Limited Edition

Tobias & The Angel is composed of a blend of two single malt whiskies that complement each other exquisitely. The Clynelish gives it an ethereal character while the Caol Ila brings the smoky aromas. The label comes from a Renaissance painting produced at Andrea del Verrocchio's studio in Florence during the 15th century. Tobias & The angel showcases the talents of several artists. For example, the little dog and the gleaming fish carried by Tobias were both painted by a young Leonardo da Vinci.
