

## FOUR ROSES 2022 LIMITED EDITION

### Small Batch Barrel Strength Bourbon

The Four Roses 2022 Limited Edition Small Batch is a real treat for bourbon fans. Bottled at 109 proof for that robust and warm character. It's also non-chill filtered, keeping the full flavours intact. This is a blend of four different bourbons, each adding something pretty different to the glass: - The 20-year-old bourbon from the OBSV recipe has a balanced and slightly fruity taste. - The 15-year-old OESK adds a pinch of spice. - A 14-year-old OESF, which incorporates more herbal flavours. - And a 14-year-old OESV is known for its creamy, rich profile. Thanks to years of careful ageing, these aged bourbons create a multidimensional, complex flavour with fruit and spice notes.
