

GLENGOYNE 35 YEARS OLD

2013 Release | Single Malt Whisky

"The Right Way Is The Long Way" For every minute other whiskies spend in their stills, Glengoyne spends three... That is Glengoyne's way, where patience is rewarded. Glengoyne 35 Years old is an exceptionally rare spirit with only 500 bottles released worldwide. A true treat for whisky collectors. This exquisite malt was distilled in the 1970s, matured in hand-selected sherry oak casks of exceptional quality, bottled in 2013 at 46.80% Vol. Each decanter is presented in a lacquered gull-wing box, crafted from solid oak, stitched in red leather, containing a booklet and crystal stopper.
