

HUDSON BABY BOURBON

100% Corn Whiskey

Handmade the traditional way in the Tuthilltown Distillery, pot distilled in small batches from 100% New York Corn, which gives its distinctive taste.

Tasting notes

Color

Red amber

Aroma

It delivers woody and smoky notes from roasted corn, robust vanilla with a hint of sugared almonds.

Taste

Delicate notes of vanilla, marzipan and caramel.

Finish

Warm and persistent.

Tuthilltown Distillery The first American whiskey distillery in New York since prohibition. Founded in 2003 by Ralph Erenzo and Brian Lee who converted a mill granary into a micro-distillery. No two bottles of whiskey Hudson are ever exactly the same. Every single bottle of Hudson Whiskey is filled, sealed with a waxed cork, labeled, numbered and packaged by hand.
