

HUDSON MANHATTAN RYE

100% Rye Whiskey

Vibrant and powerful, spicy with a rustic, woody aroma and a light hint of honey and coconut. From the grain to the glass, Hudson whiskeys are made with the highest care and passion. There are no exactly identical bottles of Hudson Whiskey, all of them are handmade and individually numbered.

Tuthilltown Distillery The first American whiskey distillery in New York since prohibition. Founded in 2003 by Ralph Erenzo and Brian Lee who converted a mill granary into a micro-distillery. No two bottles of whiskey Hudson are ever exactly the same. Every single bottle of Hudson Whiskey is filled, sealed with a waxed cork, labeled, numbered and packaged by hand.
