

## WITL LIMITLESS

### Infinity Repeating #001

Limitless Infinity Repeating #001 is the first blended malt from independent bottler Whisky is the Limit. This whisky is composed of a skilful blend of different malt from the Highlands and Islay, with a hint of peat. Aged in bourbon casks and then refined for a few months in a second-fill red wine cask. The Limitless Series from WITL explores the world of blended Scotch whiskies and other spirits.
