

JIM BEAM 15 YEARS OLD

Lineage Bourbon

Lineage represents the most refined bottle by far in Jim Beam's range. The one-of-a-kind whiskey is the first release created exclusively for the travel retail as a collaboration with Jim Beam's seventh and eighth-generation family distillers. Jim Beam Lineage matured for 15 years in charred white oak barrels in Warehouse K since 2004. The bespoke bottle is presented in a luxurious wooden box featuring the iconic Jim Beam seal, making the whiskey instantly recognisable.
