

CHICHIBU 7EVEN GODS OF FORTUNE

Edition 4 | Single Malt Japanese Whisky

Chichibu presents the fourth bottling of the 7EVEN Gods of Fortune. This edition honours Bishamonten, the Shinto deity of war, wealth and happiness. This whisky was distilled in 2017 and bottled in a Bourbon Barrel in 2023 at a cask strength of 65,4%, coming from a single cask #8280. The series pays tribute to the seven Japanese deities of fortune and contains seven annual releases, each featuring a different God. With this series, the Chichibu distillery showcases its dedication to tradition and innovation. The label and box, created in collaboration with digital NFT artist WARBB, makes it ideal for art collectors and whisky connoisseurs.
