

HIBIKI 30 YEARS OLD

Kacho Fugetsu Limited Edition

Hibiki Kacho Fugetsu is a rare and exquisite blend of malt and grain whiskies from the Yamazaki, Hakushu, and Chita distilleries, each contributing to the blend's extraordinary depth and complexity. This whisky comes in a stunning decanter featuring intricate illustrations inspired by Japan's philosophy of "Kacho Fugetsu," which means flowers, birds, wind, and moon. The design combines traditional aesthetics with modern luxury, making it a highly sought-after whisky and a coveted collector's item.

Tasting notes

Taste

Malt whiskies from the Yamazaki distillery contribute to the depth and complexity of flavours of dried fruits, honey, and delicate floral notes. Hakushu adds a hint of fresh, herbal, and lightly smoky notes, enhancing the blend's overall harmony. Chita grain whiskies are smooth and slightly sweet, providing a luxurious mouthfeel and balance to the blend.
