

NIKKA GOLD & GOLD

Limited Samurai Edition

Gold and Gold is composed of a blend of grain and malt whiskies, distilled both in Pot and Coffey stills. Originally introduced in 1968 but after being out of the market for a while it got redesigned and released to travel retail outlets. This limited edition is presented in a removable plastic samurai armour, its creative design makes it the ideal addition to a whisky collection.

Tasting notes

Taste

Well rounded with notes of vanilla followed by oak and a dry finish.
