Tasting notes

Color

Golden Amber

Aroma

Strong, tannins, oak spice and corn cob.

Taste

From — The Wall Street Journal "This is no ordinary rye, because it doesn't come from an ordinary distillery. [...] Despite being 100% rye grain, this whiskey is fresh and light [...] with a maple-y, candy corn entry and a kiss of spice on the "finish". Powerful, but soft and pleasant with sweet and sour nuances, maple, some fruit as well as oak wood and honey.

Finish

Spicy, medium and honey sweet finish.

Koval Distillery The Koval Distillery combines traditional and contemporary techniques. Founded in 2008 by Dr. Sonat and Dr. Robert Birnecker, it is Chicago's first since the prohibition. All of their products are Certified Organic and Certified Kosher. The water, which is an essential ingredient in distillation, is sourced from Lake Michigan using a natural charcoal purification method. The Koval Whiskeys are all "heart cut"; in order to produce a high-quality spirit, they use only the purest and best-tasting part of the distillate called "Hearts" (Ethanol 78°C).
