

LITTLEMILL 25 YEARS OLD

2015 Release | Single Malt Whisky

For the creation of this limited edition release, Master Blenders John Petersen and Michael Henry selected ten casks from the remaining whisky reserves from 1989 and 1990. These casks represent the quality and style of whisky from the Littlemill Distillery. The whiskies come from the distiller's own stocks and were originally aged in the finest American and European Oak casks, later married together and finished in 1st fill European Oloroso Sherry casks. The first whisky was placed in the casks on the 17th of December 1989 at 68.5 degrees. The second whisky was placed in the casks between the 1st & 4th of April 1990 at a volume between 68.6 and 68.7 degrees. 2015 is the first bottling on the annual release with only 1500 numbered bottles, presented in an elegant wooden box.
