

MACALLAN 12 YEARS OLD

Sherry Oak | 35cl Bottle

A rare half-bottle from a celebrated era of Macallan's Sherry Oak series. This 12-year-old was matured in hand-picked Oloroso sherry casks from Jerez. Bottled between 2012 and 2016, these editions are prized for their traditional sherry richness and growing rarity. The 35cl format was originally introduced for gifting and travel retail. Never intended as a permanent release, these smaller bottles mostly appear today at auctions and specialist boutiques, making them a collectable curiosity rather than core range expressions
