

MACALLAN 12 YEARS SHERRY OAK

110 Proof | Speyside Single Malt Whisky

This 110 Proof expression is bottled at 55% volume, a higher strength than the standard Sherry Oak release. Its deep amber colour is natural. **MATURATION:** The whisky matures for twelve years exclusively in sherry-seasoned oak casks, predominantly European oak. **SUGGESTIONS:** Serve neat in a tulip-shaped glass, with water alongside. Add a few drops at a time to adjust the strength.

Tasting notes

Treacle toffee, mocha and sweet cinnamon.

THE MACALLAN The Macallan distillery stands on the Easter Elchies estate near Craigellachie, beside the River Spey. Alexander Reid obtained its first licence in 1824. Sherry-seasoned oak casks remain central to the distillery's whisky production as well as their curiously small stills.
