

MONKEY SHOULDER BATCH 27

Triple Single Malt | Blended Whisky

Made from a combination of single malts from three of Speyside's finest distilleries (The Balvenie, Glenfiddich and Kininvie). Crafted with 100% malt, matured in first fill old bourbon casks, for three to six months, which gives a smooth and mellow vanilla flavour into the resting malt whisky. Smooth and rich. Enjoy neat, over ice or mixed in cocktails.
