

## WATERFORD SHEESTOWN 1.2

### Single Farm Origin | Single Malt Irish Whisky

The second batch from Sheestown's first crop distillation was grown on undulated, well-drained loamy soils with outcrops of gravel and drier hilltops, predominantly derived from limestone. Sheestown is part of a limited release series of Barley-Forward, Terroir-Driven Whiskies. Made from 100% Irish Barley grown by Phil O'Brien who has farmed the land for half a century. Sheestown 1.2 was aged in a combination of 35% First Fill US, 20% Virgin US, 25 Premium French, 20% Vin Doux Naturel

Waterford Distillery Waterford's Single Farm Origins showcase barley flavors obtained from individual Irish farms, terroir by terroir, every single malt in its own right. They are expressions of precision and rarity. Yet, gathered together into a Cuvée, layer by layer, these components create a definitive, extremely complex single malt. A whisky full of diversity & character. Made from the world's finest barley 100% Irish grown. Non-chill filtered and free of coloring & additives. Full matured without any finishes. This is the First Terroir-Driven Single Malt Whisky. Waterford's ultimate goal is to make the world's most unique, complex and profound spirit. The distillery would only produce limited editions, single malts focused on terroir, transparency and traceability. Every bottle of Waterford whisky features its own TÉIREOIR code.
