

WHISTLEPIG 15 YEARS OLD

100% Rye Whiskey | Vermont Oak Finish

One of the oldest whiskeys bottled by the distillery and the first WhistlePig product finished for six months in Vermont Estate Oak, harvested at their farm. This type of wood has more rings than the standard American oak used in whiskey barrels, allowing the development of deeper flavours during maturation.

Tasting notes

Aroma

Intense aromas of roasted chestnuts, along with plenty of oak and toffee

Taste

Silky with loads of butterscotch fading into fresh notes of lemon zest, oak spice, leather and a hint of tobacco

Finish

Ultra-long and warm, with earthy tones
