

RUSSELL'S RESERVE 10 YEARS OLD

Reserve Straight Bourbon

Made with the finest ingredients, including three non-GMO grains: American-grown corn, rye, and malted barley. The water for their whiskey is sourced from the Kentucky River and is naturally filtered through limestone, removing iron and other impurities. Aged in No. 4 alligator char barrels and bottled at 90 proof, this small-batch bourbon has spicy vanilla flavours and a smooth finish.

Tasting notes

Color

Amber with copper hues.

Aroma

Rich, spicy caramel, and vanilla flavours

Taste

Smooth and sweet, with toffee and spice notes lingering with a mild and pleasant warming
