

## RUSSELL'S RESERVE 10 YEARS OLD

### Reserve Straight Bourbon

Made with the finest ingredients, including three non-GMO grains: American-grown corn, rye, and malted barley. The water for their whiskey is sourced from the Kentucky River and is naturally filtered through limestone, removing iron and other impurities. Aged in No. 4 alligator char barrels and bottled at 90 proof, this small-batch bourbon has spicy vanilla flavours and a smooth finish.

#### **Tasting notes**

##### **Color**

Amber with copper hues.

##### **Aroma**

Rich, spicy caramel, and vanilla flavours

##### **Taste**

Smooth and sweet, with toffee and spice notes lingering with a mild and pleasant warming
